## All Together Now - Director's Notes

When Liz Francisco and I first started floating the idea of participating in MTI's global weekend fundraiser for theatre companies across the world, we thought it would be a great opportunity to showcase the talents of our students and raise some much needed funds for the Methacton High School Theatre Company and Warriors Performance Group. When we realized the only allowable show dates from MTI were the exact same ones as MHSTC's Fall Play, The Dining Room, we thought "it will be a little hectic, but we'll make it work." As we started to get into the nitty gritty of auditioning, rehearsing, and staging two shows at once, we realized we may have overestimated our patience for the crazy!

Fortunately, as Liz and I have come to find out, the one thing we did not overestimate was the talent of the MHSTC & WPG. Over 30 cast and crew members have been working tirelessly to bring this musical revue to life. More than half of these students are ALSO involved in The Dining Room and have been pulling double duty with rehearsals and keeping everything straight in terms of what is needed when and for which show.

I am beyond grateful to everyone involved in All Together Now! for the countless hours they have put into this singular performance. Congratulations to the entire cast, crew, and production staff of this show. We could not have gotten to this point without the individual efforts of each and every one of you.

Seeing these students onstage and behind the scenes has made my heart so happy. I have been able to see the joy in their faces and the triumph that comes from a great performance. It is truly, Why We Tell the Story.
