News & Information

· **Hybrid Return to On Premise Instruction:** Today marks the end of the first week of the return to hybrid instruction. Our gratitude and appreciation goes out to the dedicated MHS teachers and staff who have made this transitional return to on premise instruction possible. Thank you also to the students and parents who have and continue to support our teachers and staff throughout this difficult time. Methacton is a true family that comes together to support each other while overcoming our challenges and celebrating our triumphs together.

· **Midterms and Finals Change:** After careful consideration, the decision has been made to eliminate midterm examination for the 2020-2021 school year. These assessments for yearlong classes would usually take place over several days at the end of the first semester in late January. Final examinations will still be administered for semester-long classes only at the end of the semester. These final assessments will take place during regularly scheduled class times with additional information communicated by the teachers of semester courses later in January. Final assessments for semester courses will continue to constitute ten (10) percent of the overall final grade for semester courses. Final examinations for yearlong courses will still be held in June.

The elimination of midterm exams will alter the calculation of final grades for yearlong classes. Final grades for all yearlong classes will now be calculated as follows: Each of the four marking periods will be counted as 22.5% of the overall final grade and the final examination in June will count as 10% of the overall final grade.

- **PSAT:** As announced earlier this fall, the PSAT will be administered to all Juniors and Sophomores on premise on January 26. Further information about the logistics of the day will be shared in January. This is a reminder for your advanced planning purposes.
- **Class of 2021 Caps and Gowns:** For any senior who has not yet purchased their cap and gown package, now is the time. Please click [here](#) for information.

**The next Happenings email and video will be distributed on
Wednesday, November 25, 2020.**
