# SCHEDULE – CONCEPT DESIGN

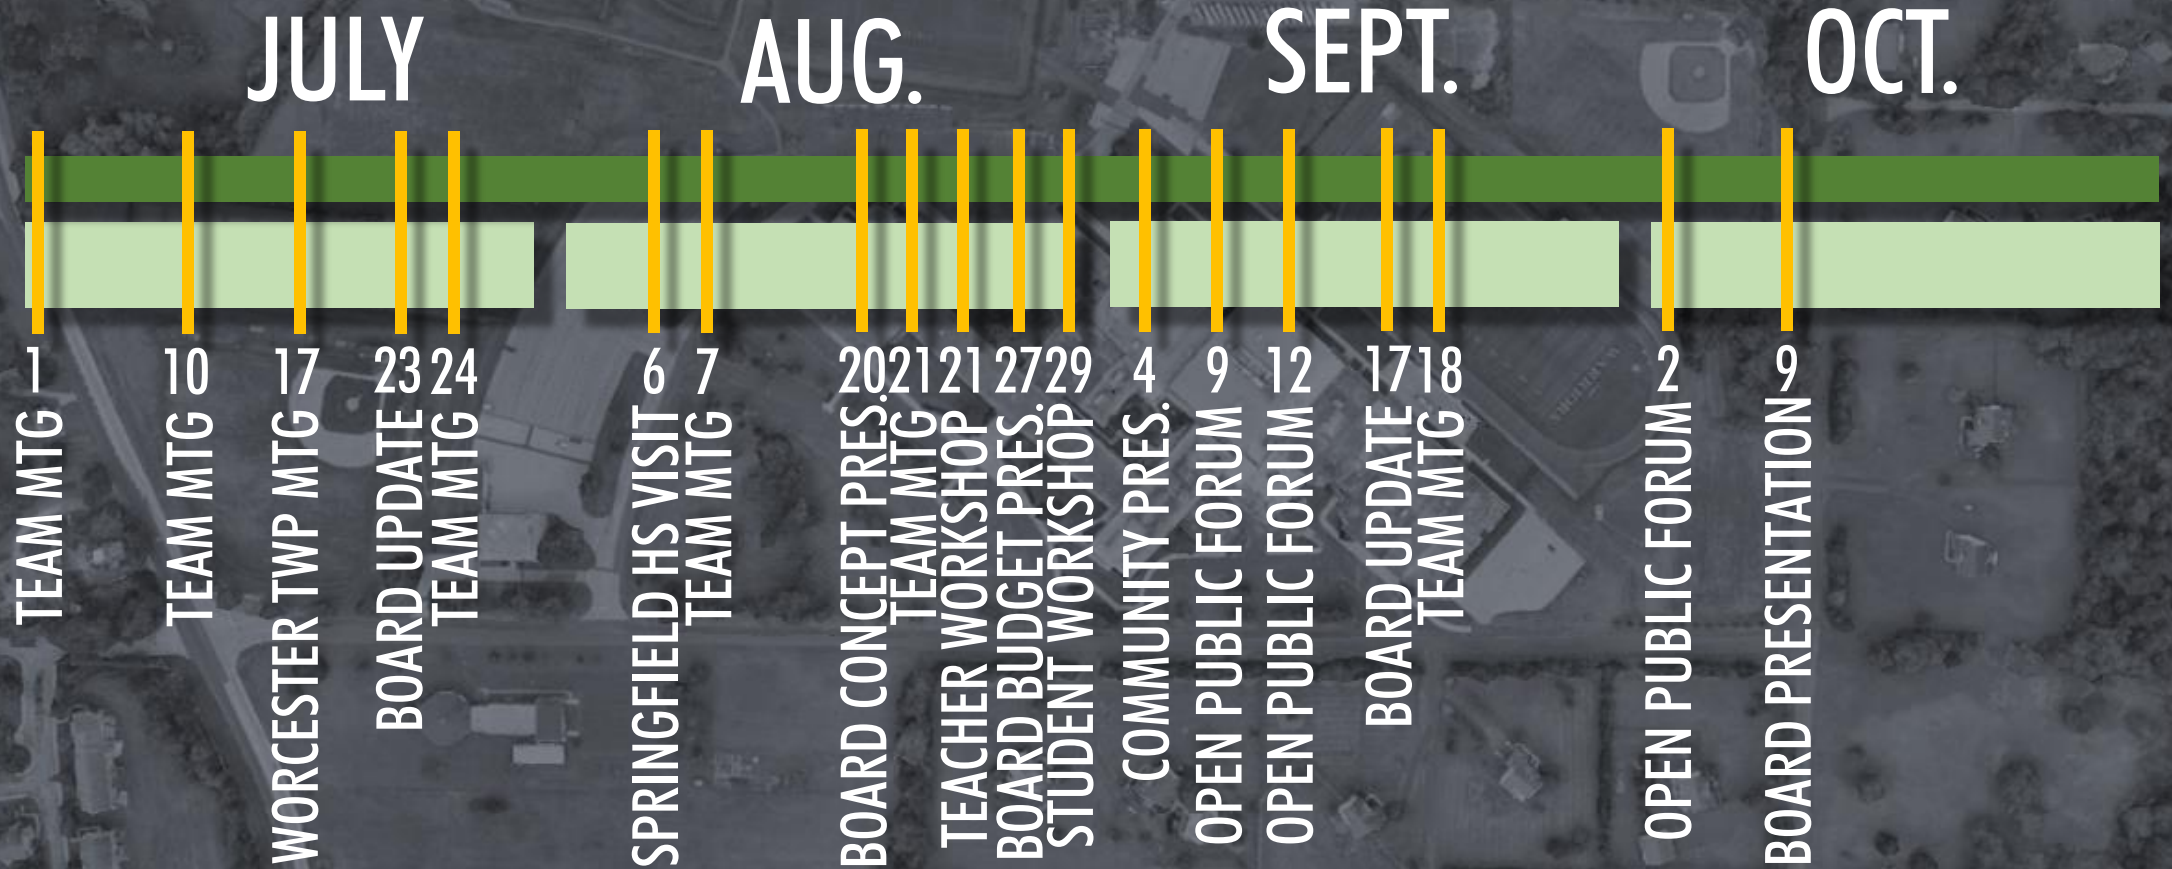

APRIL

MAY

JUNE

# SCHEDULE – CONCEPT DESIGN

# SCHEDULE – CONCEPT DESIGN

# AUGUST 20 PRESENTATION

- 3 CONCEPTS
  - 3 Distinct concept designs
  - Each concept including the baseline program spaces
  - Each concept allowing for any of 12 alternates
  - Each concept providing costs and alternate costs (add/deduct)

# Worcester Township Zoning Requirements

- Public School is a use permitted by Conditional Use in AGR district
  - CU may or may not be needed since public school is existing use
- Zoning Relief likely needed:
  - Building height – 35 ft, not exceeding 2.5 stories
  - Impervious surface – 40%
  - Parking lot(s) within building setbacks – 250 feet front yard
  - Steep slope disturbance
  - Varsity baseball/softball field lighting; also requires Conditional Use
- Parking, Traffic, and Speeding are all areas of concern and are viewed as opportunities for improvement. Off-site parking should be eliminated if possible with increased parking on the campus.
- Potential bus-only access on Mill Road is being considered.

# Existing High School Program Spaces

- Core Academic Classrooms
- Science Labs
- Academic Support Spaces
- Family Consumer Science
